WELCOME

Hi, I'm Carenza, a photographer who specialises in country lifestyle photography. I love working quietly behind the scenes on shoot days, capturing the laughter, friendships and sporting successes that make these days so enjoyable.

By working closely with Logiealmond throughout the season, this allows your day to be represented with immersive imagery that reflects the true atmosphere of the experience from start to finish.

BOOKING

If you'd love to have your day photographed, please get in touch using the details below with your shooting dates, or make the team at Loigielamond Estate aware you would like coverage included.

Please note, photographic coverage is only confirmed once you have received confirmation from myself, and payment has been made.

If you would like to gift a friend or family member coverage for a day, I'd be more than happy to help.
